## DI DINING

### A TASTE OF GRAND CANYON

Grand Canyon National Park Lodges offers every choice in dining from family style to the casually elegant El Tovar Dining Room.

**El Tovar Dining Room and Lounge** Gourmet dining in an atmosphere of historic and casual elegance describes this world-class dining experience. Located in the historic El Tovar, this celebrated and majestic Dining Room is constructed of native stone and Oregon pine. The murals on the walls reflect the customs of four Native American Tribes. The ambience is rustic, but classic and traditional. You can imagine the countless number of intriguing characters that have dined here in the past. Guests such as Teddy Roosevelt, President Bill Clinton and Sir Paul McCartney have dined and shared stories within these walls. The menu is traditional, integrating both international and local Southwest influences. The El Tovar Dining Room is considered the premier dining establishment at Grand Canyon and is recognized internationally. El Tovar Dining Room & Lounge are open year-round.

Located directly on the rim of Grand Canyon, this is the place to enjoy the best of Arizona. Our goal is to immerse our guests into a more interpretive dining experience focused on items grown and created locally. Located in the Bright Angel Lodge, don't miss this delicious culinary experience.
